**METROJET BECAME AN APPROVED MCM SERVICE FACILITY**

**HONG KONG, 8 April 2011** – Metrojet is pleased to announce that it became an approved line maintenance facility under Maintenance Centre Malta Limited's EASA Part-145 maintenance organization approval.

Maintenance Centre Malta Limited is a Transport Malta Civil Aviation Directorate approved maintenance organization with facilities in Luqa Airport, Malta, specializing in maintenance of business jets.

"With Metrojet we have found a partner in Asia who shares our view about compliance to the highest Quality standards, delivery punctuality and customer care," said Alexander Vit, the Director of Maintenance Centre Malta.

"The approval will allow Metrojet to work on EASA registered aircraft at its facility in Hong Kong," said Björn Näf, CEO of Metrojet. "Metrojet will continue to enhance our maintenance capabilities and professional expertise to provide business jet owners with the best maintenance services."

With over 110 maintenance professionals, Metrojet operates the leading Asian corporate aircraft maintenance service center, facilitating regional AOG support for all business aircraft around the clock. Metrojet's Maintenance Service Centre provides heavy/scheduled inspections and repair services and can be reached via its 24 hour customer support number at (+852) 2215 3838 or email at [mx@metrojet.com](mailto:mx@metrojet.com).
