

For Immediate Release

**METROJET APPOINTS TAN SIAH-JOO AS
DIRECTOR OF CORPORATE DEVELOPMENT**

HONG KONG, 29 June 2011 – Metrojet, the premier provider of business aircraft services in Hong Kong and the region, is pleased to announce the appointment of Tan Siah-Joo as Director of Corporate Development. Tan will be responsible for strategic planning and development of the company.

An aircraft engineer by training, Tan has over 30 years of experience in the commercial aviation industry, notably within the Singapore Airlines Group, where the journey took him subsequently to senior management positions within its wholly owned subsidiaries, SilkAir and SIA Engineering Company. Areas under his purview include Engineering, Inflight, Ground, Cabin and Customer Services, Corporate Planning, Asset Management, Business Development and Project Management. Prior to joining Metrojet, Tan was the Director of Corporate Development in Gulf Air, based in Bahrain.

Tan holds a Bachelor of Science degree in Aerospace Management from the University of Technology, Sydney, Australia. He also completed an Executive program from Columbia University, USA.

“I am delighted to have Siah-Joo joining the Metrojet team,” said Björn Näf, CEO of Metrojet. “With his unique background and extensive experience, Siah-Joo will be leading Metrojet’s corporate development and strategic planning to further enhance Metrojet’s position as a leading business aviation company in Asia.”

NOTE TO EDITORS

Metrojet Limited. Established in 1995 and part of the Kadoorie Group, sister company of the Peninsula Hotels. Metrojet is a leading operator and maintenance provider of business jets in the region, and pioneered business aviation services in Hong Kong. The company was awarded an Air Operator’s Certificate (FAA Part 121 equivalent) in June 1997. Metrojet is Hong Kong’s only fully licensed business jet operator, providing the complete range of business aviation services, including: aircraft charter, comprehensive aircraft management, aircraft maintenance service, aircraft co-ownership programs and aircraft acquisition and sales.

Metrojet’s maintenance department is currently a fully certified Repair Station with approvals from the Hong Kong CAD, the United States FAA and is fully authorized to carry out maintenance on aircraft registered in China, Macau, Taiwan, Malaysia, Bermuda, Canada, Isle of Man, and Cayman Islands. Metrojet is a full Authorized Gulfstream Warranty Repair Facility as well as an authorized Bombardier Aircraft Service Facility. Its Avionics and Airframe engineers have ratings on Gulfstream, Bombardier, Hawker Beechcraft, Falcon, Cessna Citation, Embraer, Boeing and Airbus aircraft as well as Eurocopter, MD, Bell, Sikorsky and Agusta helicopters.
