METROJET UNVEILS COLLABORATION WITH TAI PING CARPETS

New Luxury Carpeting Options Enhance Metrojet's Bespoke In-Flight Décor Service Offering

Hong Kong – 8 April 2015 – Metrojet Ltd. (www.metrojet.com), a leading provider of business aircraft services in Asia, today announced a new collaboration with internationally renowned carpet manufacturer Tai Ping Carpets to offer a broader range of luxury carpeting options for its discerning customers.

The new collaboration, which further enhances Metrojet's bespoke inflight décor service offering, represents the company's ongoing commitment to delivering unrivalled service standards to its elite customers.

To embrace each individual's personal preference, Metrojet's Aircraft Appearance professionals will team up with Tai Ping Carpets' artisans and specialists - known for impeccable craftsmanship - to tailor personalised and bespoke carpets at every stage, from material selection and design to installation and refurbishment.

"It is the core of Metrojet's service philosophy to bring meticulous services and experiences to each of our customers," explained Metrojet CEO Mr. Björn Näf. "We are delighted to have the opportunity to work with world-acclaimed Tai Ping Carpets to offer the finest carpeting options to our sophisticated customers, as part of our bespoke in-flight décor offering."

"A high-quality customised carpet embellishes the overall décor of a new jet, and refreshes the look and feel of the cabin of pre-owned business jets," Mr. Näf continued. "According to Asian Sky Group, over 40% of the gross business jet additions in 2013 were pre-owned aircraft. In the long run, we believe the pre-owned business jet market in Asia will be on the steady rise. Our collaboration with Tai Ping Carpets enhances our existing bespoke inflight services and meets the market demands for pre-owned jet refurbishment."

James Kaplan, CEO of Tai Ping Carpets International Limited commented, "As a leading manufacturer of custom handmade and woven carpets, Tai Ping Carpets is known around the world for exquisite design, master hand-tufting skills, innovation in fibre combinations and successful business partnerships. We are excited about our partnership with Metrojet, and look forward to bringing our creations to their global clientele."

Metrojet will participate in Asian Business Aviation Conference and Exhibition (ABACE) 2015 in Shanghai from 14 to 16 April, 2015, where some of Tai Ping Carpets' creations will be showcased. Metrojet will be present at booth number H521 at ABACE.

Metrojet and Tai Ping Carpets, both members of the Kadoorie Group, join forces to strive for quality and excellence.

Established in 1995, Metrojet is a leading business jet operator and maintenance provider in

Asia. The company provides comprehensive aircraft management, charter, maintenance and consultancy services, and pioneered business aviation services in Hong Kong.

– END –

NOTE TO EDITORS

Metrojet Limited. Established in 1995 and part of the Kadoorie Group, sister company of The Peninsula Hotels. Metrojet is a leading operator and maintenance provider of business jets in the region, and pioneered business aviation services in Hong Kong. The company was awarded an Air Operator's Certificate (FAA Part 121 equivalent) in June 1997. Metrojet is Hong Kong's only fully licensed business jet operator, providing the complete range of business aviation services, including: aircraft charter, comprehensive aircraft management, aircraft maintenance service, aircraft co-ownership programs and aircraft acquisition and sales.

Metrojet's maintenance department is currently a fully certified Repair Station with approvals from the Hong Kong CAD, the United States FAA and is fully authorised to carry out maintenance on aircraft registered in China, Macau, Taiwan, Thailand, Indonesia, Philippines, Malaysia, Bermuda, Canada, Isle of Man, Cayman Islands, and San Marino. Metrojet is an Authorised Gulfstream Warranty Repair Facility, an Authorised Bombardier Aircraft Service Facility, and an Authorised Embraer Service Facility. Its highly trained engineers have Pratt & Whitney, Rolls-Royce, GE and Honeywell APU type ratings, and its Avionics and Airframe engineers have ratings on Gulfstream, Bombardier, Embraer and Boeing aircraft.

As part of an international expansion programme, Metrojet has opened a maintenance facility, Metrojet Engineering Clark Ltd. (MEC), located at Diosdado Macapagal International Airport, within the Clark Freeport Zone in the Philippines. Metrojet has also established a joint venture with India-based Taj Air to establish TajAir Metrojet Aviation in Mumbai, offering maintenance services to the growing Indian business aviation market. Metrojet has also expanded into the China market with a joint-venture agreement with Zhuhai Hanxing General Aviation Co. Ltd to form Metrojet Hanxing (Zhuhai) Company Limited.

Tai Ping Carpets. Headquartered in Hong Kong, with flagships in Paris and New York, Tai Ping's bespoke carpets are brilliantly designed and handmade to designer's unique visions.

In 1956, Tai Ping was founded in Hong Kong with a promise to preserve the artistry of hand-made carpets and ensure the integrity of our culture, quality and service.

Today, Tai Ping is recognised as the luxury brand of choice for a discerning global clientele. Tai Ping's success is based on respect for the company's storied past, sophisticated design and bespoke service.

Serving the Artisan (Residences, Yachts, Jets, Boutiques) and Industry (Hotels, Restaurants, Offices) categories, Tai Ping is a global company with six showrooms across the U.S., three showrooms in Europe, and three in Asia including the company's Hong Kong flagship headquarters.

Tai Ping's handmade carpets are the foundation of its Artisan offerings. Using only the best materials—including silk, linen, New Zealand wool and cashmere. Tai Ping is known around the world for exquisite design, master hand-tufting skills, innovation in fibre combinations and successful collaborations. Armed with tools and techniques passed down from generations of apprenticed master artisans, Tai Ping customises each rug to the exact specifications of designers and clients. Project collaborations include Philippe Starck, Patricia Urquiola, Marc Newson, Jean-Michel Wilmotte and Jean Nouvel.
